Comments for any notable improvements or deterioration in performance regarding the figures supplied in the "Access to housing and support" section.

Indicator 23: We are unable to complete the information requested. We work closely with the City of Edinburgh Council to operate a Common Housing Register and a choice-based lettings system. This means that we do not receive Section 5 referrals or other referrals from the local authority. If we were to report on the number of homeless applicants who bid for an advertised property, this would result in significant over-counting as applicants are encouraged to bid for up to 3 properties each week.
